## EVENT SUMMARY

The I.I.M.U.N. Delhi Conference 2023 was held on the 4th, 6th, and 7th of May, marking the twelfth year of I.I.M.U.N. physical conferences, hosted on the beautiful campus of Suncity School, Gurugram. The conference witnessed an impressive turnout of students from grades 7th to 12th, hailing from various schools across the NCR. Students indulged in enriching discussions on national and international topics, tailored to their respective age groups, ranging from means & ways of reducing pollution in the state to the question of the pink tax, and Reforming the United Nations, to even mythological topics such as Mahabharat.

The opening ceremony on 4th May was a mesmerising affair with close to 1,000 attendees congregating at the Suncity School under one platform, commencing with a lamp lighting ceremony followed by a phenomenal Indian classical dance performance. The ceremony was attended by the famous director, film producer, screenwriter, and author- Mr. Vivek Agnihotri, and the serving flag officer in the Indian Navy, and the Controller of Personnel Services, Vice Admiral Swaminathan, who enlightened the students. From the end of the Host Institution- Mr. Ankit Goel, Director at Suncity Projects, & Mrs. Rupa Chakravarty, Director of Suncity Schools, were also in attendance.

The conferences' highlights were undoubtedly the intriguing discussions and remarkable declarations put forth by the students, showcasing their in-depth research and knowledge on the subject matter. The MUNClave speakers series was a valuable opportunity for the students to learn and grow by listening to such dignitaries.

The third day began with an early morning yoga session, helping students rejuvenate physically and mentally before the final committee sessions. The yoga session was followed by an address by Peepal Baba, Founder of GiveMeTrees, who spoke about the youth's role in environmental conservation, planted a tree, and motivated the students to do the same. The closing ceremony was a mix of emotions, as the winners celebrated their triumphs while all participants bid farewell to each other with heavy hearts. Lotus Valley International School emerged as the best delegation, emphasising the importance of sportsmanship and putting in one's best efforts. The event was a testament to the warm hospitality and nurturing environment of the host, which has been a home for the participants in NCR and a source of immense pride. The day concluded with a social evening where the students enjoyed music, danced their hearts out, and then bid adieu to one another.
