Students indulged in enriching discussions on national and international topics, tailored to their respective age groups, ranging from discussing the need for a uniform civil code and promotion of sports with special emphasis on Parathletics, to discussing how to improve the situation of global waste management to also seeing students defend their favorite IPL team in the Mega Auctions.

The opening ceremony on 3rd November was a mesmerizing affair with close to 500 attendees, congregating at the Excel Central School Ground, under one platform commencing with a lamp lighting ceremony followed by a phenomenal Indian Classical dance performance. The ceremony was attended by Dr. William Selvamurthy: an Indian scientist, who has received awards such as the Time Achievement Award from Dr. A. P. J. Abdul Kalam, President of India (2006 and 2007), ICMR National Award – Shakuntala Amirchand Award (1976), amongst others. He has dedicated 40 years in the service of DRDO. The second day saw a lineup of cultural performances where students showcased the talents they honed from dancing to singing and much more.
