EVENT SUMMARY

The I.I.M.U.N. Madurai Conference, 2023 was held from 3rd November to the 5th November 2023, marking the thirteenth year of I.I.M.U.N. physical conferences, hosted in the beautiful campus of Velammal Vidhyalaya. The conference witnessed an impressive turnout of students from grades 7th to 12th, hailing from various schools across Madurai. Students indulged in enriching discussions on national and international topics, tailored to their respective age groups, ranging from ways to combat water scarcity to the question of same sex marriage, and creating a framework to boost renewable sources of energy, to even topics such as IPL where they discussed the Mega Auctions 2024.

The opening ceremony on 3rd November was a mesmerizing affair with close to 1,000 attendees, congregating at the auditorium of Velammal Vidhyalaya under one platform, commencing with a phenomenal Indian Classical dance performance. The ceremony was attended by Ambassador Anup K Mudgal who enlightened the students along with Educationists from the city.

The conferences' highlights were undoubtedly the intriguing discussions and remarkable declarations put forth by the students, showcasing their in-depth research and knowledge on the subject. The MUNClave speakers series was a valuable opportunity for the students to learn and grow by listening to such dignitaries.

The third day began with an early morning yoga session, helping students rejuvenate physically and mentally before the final committee sessions. The closing ceremony was a mix of emotions, as the winners celebrated their triumphs, while all participants bid farewell to each other with heavy hearts. The event was a testament to the warm hospitality and nurturing environment of the host, which has been a home for the participants in Madurai, and a source of immense pride. The day ended with delegates with a million cherished memories.
