The I.I.M.U.N. Vellore Conference, 2023 was a grand success, held from 22nd September to 24th September, marking the thirteenth year of I.I.M.U.N. physical conferences, in association with Geekay World School. The conference witnessed an impressive turnout of students from grades 7th to 12th, hailing from various schools across Vellore. Students indulged in enriching discussions on both national and international topics, tailored to their respective age groups.

The opening ceremony on 28th July was a mesmerizing affair, commencing with a phenomenal dance performance featuring over hundreds of students from all corners of Vellore, congregating at the Geekay World School under one platform. The speech by Shri A. Raja Rajan further added to the vibrancy of the event.

The conference's highlights were undoubtedly the intriguing discussions and wonderful declarations put forth by the students, showcasing their in-depth research and knowledge on the subject matter. The speakers series was a valuable opportunity for the students to learn and grow by listening to such dignitaries. The socials provided much-needed respite and entertainment to the students, who relished the food and high tea breaks.

The third day began with an early morning yoga session, helping students rejuvenate physically and mentally before the final committee sessions. The closing ceremony was a mix of emotions, as the winners celebrated their triumphs, while all participants bid farewell to each other with heavy hearts. Geekay World School emerged as the best delegation, emphasizing the importance of sportsmanship and putting in one's best efforts. The event was a testament to the warm hospitality and nurturing environment of the host, which has been a home for the participants in Pondicherry, and a source of immense pride.
