EVENT SUMMARY

The India's International Movement to Unite Nations organized the third edition of its Aurangabad conference at Wockhardt Global School on September 16th and 17th, 2023. The opening ceremony was attended by over 300 students, academicians, principals, faculty members, and parents. Ambassador Jitendra Tripathi graced the inaugural ceremony of I.I.M.U.N. Aurangabad in the capacity of Chief Guest.

Following the inauguration, young students from more than 20 prestigious schools in the city gathered to engage in debates on various global and local issues. Topics ranged from discussing the proliferation of city-based education hubs in India. Additionally, the students enjoyed social activities after a productive committee session.

The next day began with an enlightening yoga session led by an experienced instructor. The session delved into the fascinating origins of yoga, and its practical benefits in everyday life, and provided insights into different meditation techniques. Delegates then continued with their debate sessions followed by which they managed to successfully pass resolutions before the eagerly anticipated closing ceremony where they would receive their awards.

The closing ceremony was a mix of emotions, with the winners celebrating their achievements, while all participants bid farewell to each other with heavy hearts. The event highlighted the incredible hospitality provided by the hosts and the warm atmosphere of Aurangabad, making it feel like a second home for all participants. In the end, this event was unanimously declared a grand success by everyone in attendance!
